

Just because "most applicants never use Morse after they pass the tes" is no justification for its elimination. This has been demonstrated time and time again as there are many more violations that occur in the SSB sub bands than in CW sub bands. Lack of discipline is directly attributable to this problem. Or, in other words . . . "Anyone can talk, CW is a skill". When people sweat and toil to learn even 5 words per minute, their license is more valuable to them and they are not as likely to jeopardize it.
